I've been single for my entire life. Not one boyfriend. Not one short-term dating situation. Not one person with whom I regularly hung out and kissed on the face. So begins Katie Heaney's memoir of her years spent looking for love, but never quite finding it. By age 25, equipped with a college degree, a load of friends, and a happy family life, she still has never had a boyfriend...and she's barely even been on a second date. Throughout this laugh-out-loud funny book, you will meet Katie's loyal group of girlfriends, including flirtatious and outgoing Rylee, the wild child to Katie's shrinking violet, as well as a whole roster of Katie's ill-fated crushes. And you will get to know Katie herself -- a smart, modern heroine relaying truths about everything from the subtleties of a Facebook message exchange to the fact that Everybody who works in a coffee shop is at least a little bit hot. Funny, relatable, and inspiring, this is a memoir for anyone who has ever struggled to find love, but has also had a lot of fun in the process.

Cry of the Elephant Man Erik L. Strandness MD MATH,2016-06-30 We are in danger of losing our identities as unique beings created in the image of God. Our culture, not wanting to answer to a higher authority, tries to expel God from the planet but in the process strips off the very image that makes us human. If we officiate at the death of God, we will also be forced to preside over the funeral of man. The good news is that despite the loud voices declaring that we are just evolved animals, the vast majority of us behave as if we are special. Since the characteristics that make humans unique are found nowhere else on the planet, we are compelled to look to the heavens. We have a choice; we can find significance running with the pack or in becoming children of God. We can howl at the moon or offer prayers to our Father, but either way we will end up worshiping our maker. Dr. Strandness explores what it means to be created in the image of God by examining those qualities that are universally recognized as unique to humankind. He makes the case that these characteristics have a heavenly origin and can only be adequately explained by a Biblical understanding of humans as Gods image-bearers.

My Story Clive Rickards,2018-12-11 We each have our own story to tell... My Story is a self-help book which allows the reader to interact with the text to tell their own story. prompting questions to write their story. Readers are encouraged to not only document the facts of their life but also their thoughts and feelings about them, exploring their hopes, highs and lows, achievements and failures, rooting out almost forgotten memories or subconscious thoughts that might lie underneath. TWO WORLDS APART. Akshaya Kosuri, MK Pavani., When joy is a habit, love is a reflex. The concept of love is abstract. People define love differently; they show it differently and have different expectations of what it should look and feel like. We are often torn between nostalgia for the familiar and an urge for the strange. As often as not, we are homesick most for the places we have ever known. For some, pain is the price of love and for some, it's a precious connection unexplained. The book 'Two worlds apart' focuses on varied perspectives on the question 'Is love a source of harmony or conflict or both?'

The Bull The Shit The Job S. VINI, 2017-05-17 Besties from college, Akki and Vira begin their corporate journey together but the adaptation to office life is not easy. Honesty hardly ever seems the best policy and colleagues turn 'friends' or 'foes' according to convenience, discovers Vira who does not hesitate in speaking up her mind. Akki, however adapts better, realizing that life in a corporate is a completely different ball game; coasting along and learning to cope up with the whims of his bosses, the pressures of unrealistic targets and the guillotine of appraisals. Vira is Akki's lifeline and Akki is the wisp of fresh air that Vira so longs for in her life every day. The day Akki asks her to shut up and stay quiet, her faith in him is a bit rattled. Has Akki given in to the pressures of life? Is Vira going to go with the flow and "fit in" to whatever comes her way?
