Helsinki Finland Johanna Nordblad, Elina Manninen, 2015-01-11 Helsinki, the capital of northern Europe and our hometown, is dear to us. Sure it does sometimes get very cold and grey, but Helsinki also offers a wide range of colorful hues, if you just know where to look. We'd like to show you some of them. This book is meant for those interested in discovering Helsinki on foot. We decided to walk along a route that would take us past some of our city's most interesting sites, shops and spots, places where we would, for example, take a friend who had never visited Helsinki before. We chose a route that starts in the Punavuori neighborhood and heads towards Esplanadi Park before continuing to Senate Square and Aleksanterinkatu. Our day out was certainly a memorable one! Although designed mainly for the visitor, those who have lived in Helsinki all their lives will also be able to get some useful hints from this book; and while it's just a small peek into daily life in Helsinki, even a short exploration around our city can be very enjoyable. Isn't having a delicious coffee in an atmosphere soaked café a great way to start a fun day out? We welcome you to explore our Helsinki with us! Elina and Johanna

Helsinki Finland Johanna Nordblad, Elina Manninen, 2015-01-11 Elina and Johanna Picturebook -sarjan Helsinki Finland - Pink Skateboard -kirja on ihana valokuvateos Helsingin kaduilla. Pohjoisen Euroopan pääkaupunki, kotikaupunkimme Helsinki, on meille rakas. Se on joskus kylmä ja harmaa, mutta sieltä löytyy monen harmaasävyisen lisäksi lukematon kirjo muitakin sävyjä. Me tallensimme niistä muutaman. Tämän kirja on tarkoitettu kaikille, jotka Helsingin kaduilla ja kujilla liikkuvat. Me päätimme kiittää kävelen reitin, jonka varrella olisi paljon mielenkiintoisia paikkoja ja liikkeitä. Mihin veisimme ystävän joka ei koskaan ole ollut Helsingissä? Valitsimme reitin, joka kulkee Punavuoresta Esplanadin puistoon. Sieltä jatkoimme matkaa Senaatintorin kautta Aleksanterinkadun liepeille. Päivästä tuli ikimuistoinen. Kirjasta löytyy vinkkejä jopa paljasjalkalaisille Helsinkiläisille. Tämä kirja on kuitenkin vain pieni kurkistus Helsinkiin, mutta pienestäkin retkestä voi nauttia. Päivä on mukava aloittaa aamukahvilla tunnelmallisessa kahvilassa. Tervetuloa mukaan retkelle! Elina ja Johanna

Cutting-Edge Patterns and Textures Estel Vilaseca, 2008-04-01 113 unique and original patterns After a goldmine of cultural and subconscious information, the history of patterns parallels and informs the history of humanity. After decades of modern minimalism and clear lines, people are enjoying a return to more playful design, rich in colors and textures. Pattern-making and pattern design, in particular, has made a major comeback as a way to embellish a surface with their use often displaying unexpected depths. Indeed, we have witnessed a revival in enriched, traditional motifs, and seen them applied in thought-provoking ways, in an unlimited variety of designs and textures. The use of new computer technologies has brought about surprising, often intricate results, on an aesthetic as well as conceptual level. In the most recent years, counter reactions to that which is digital, are visible in the work of crafty designers who embrace illustration and a hand-made, do-it-

yourself aesthetic, while taking full advantage of the versatility and speed computer programs can afford them. Cutting-Edge Patterns and Textures is a stimulating book featuring full-page, color images of inspired patterns and boasts an eclectic array of styles from all around the world. This book is destined to become a desktop reference for professional and amateur designers alike.

1000 Ideas by 100 Fashion Designers Carolina Cerimedo, 2010-04-01 Fashion isn't art. The latter can just be admired, while the first needs to be sold. How do designers create constant objects of desire? In this book, 100 designers give 1000 tips on what it takes to be a great fashion designer. These tips address a number of issues: flare inspiration, collection concept, the promise of clothing, the use of fabrics, and more. Reading Matters Ulrich Marzolph, 2023 The present book is a special gift for a special colleague and friend. Defined as an "Unfestschrift," it gives colleagues, students, and friends of Regina Bendix an opportunity to express their esteem for Regina's inspiration, cooperation, leadership, and friendship in an adequate and lasting manner. The title of the present book, Reading Matters, is as close as possible to an English equivalent of the beautiful German double entendre Erlesenes (meaning both "something read/a reading" and "something exquisite"). Presenting "matters for reading," the Unfestschrift unites short contributions about "readings" that "mattered" in some way or another for the contributors, readings that had an impact on their understanding of whatever they were at some time or presently are interested in. The term "readings" is understood widely. Since most of the invited contributors are academics, the term implies, in the first place, readings of an academic or scholarly nature. In a wider notion, however, "readings" also refer to any other piece of literature, the perception of a piece of art (a painting, a sculpture, a performance), listening to music, appreciating a "folkloric" performance or a fieldwork experience, or just anything else whose "reading" or individual perception has been meaningful for the contributors in different ways. Contrary to a strictly scholarly treatment of a given topic in which the author often disappears behind the subject, the presentations unveil and highlight the contributor's personal involvement, and thus a dimension of crucial importance for ethnographers such as the dedicatee.

Nordic Ways András Simonyi, Debra Cagan, 2017-07-25 The project Nordic Ways is a book of short insightful essays written by distinguished authors from all five countries representing a broad spectrum of Nordic life. The project features an impressive and august array of nearly 50 authors representing all five Nordic countries. The ultimate goal is to provide a long-term platform for what it means to be Nordic in business, as environmental stewards, in the arts, culture, innovation, education and in commitment to democratic values. There is growing interest in the United States in Nordic societies and

attention being paid to Nordic solutions: cutting edge innovation in technology and design, arts, culture, liberal democratic values, including gender equality and a free press, environmental responsibility, and economic success achieved on a global level in partnership with employees. Today, with a U.S. Presidential campaign marked by widespread dissatisfaction among the electorate, it is abundantly clear that Nordic Ways can guide this new and increasingly important dialogue.

Auflage 2019 Der Tango ist in zwei Ländern der Welt zu Hause: in Argentinien und – was nur wenige wissen – in Finnland. Im kühlen Norden ist er aber besonders populär, denn mit seiner Melancholie trifft er die finnische Volksseele wie kein anderer Musikstil. Der Nordosten Finnlands ist das Revier der Braunbären. In der Nähe von Kuusamo kann man mit einem Guide auf Bärenjagd gehen – geschossen werden allerdings nur Fotos. Mit der Kamera im Anschlag wartet man auf das Tier, für das die finnische Sprache 200 Begriffe kennt. Gönnen Sie sich dieses Kribbeln! Niemand wird je diesen Magischen Moment vergessen.

Even If Everything Ends Jens Liljestrand, 2023-05-09 Life goes on in the face of a climate crisis in this astonishing and unforgettable debut novel that follows four characters as they struggle to survive in a burning world. Even when the climate crisis escalates beyond our worst nightmares and people become refugees, the world keeps turning and life carries on as usual: teenaged love stories, marital collapses, identity crises, and revolts against hopeless parents continue to play out. Didrik is a forty-year-old media consultant whose misguided efforts to become the family hero render him a pathetic vision of masculine incompetence. Melissa is an influencer with a suitcase full of lost dreams after denying climate change for years. André is the nineteen-year-old loser son of an international sports star who uses the erupting violence around him to orchestrate his own personal vengeance on his negligent father. And Vilja is Didrik's teenaged daughter who steps into a leadership role in the face of adult ineptitude. "Simultaneously nerve-wracking, astute, and consumedly entertaining" (Sydsvenskan, Sweden) and through these four related stories, *Even If Everything Ends* eloquently illustrates a picture of a very near future that is at once extraordinary and entirely realistic.

Dwell, 2007-04 At Dwell, we're staging a minor revolution. We think that it's possible to live in a house or apartment by a bold modern architect, to own furniture and products that are exceptionally well designed, and still be a regular human being. We think that good design is an integral part of real life. And that real life has been conspicuous by its absence in most design and architecture magazines.
